SUMMARY

Full Stack Developer with hands-on experience in building scalable and responsive web applications using MySQL, Express.js, React.js, Next.js, Node.js, and Tailwind CSS. Experienced in developing clean user interfaces, integrating APIs, and implementing real-world features such as authentication, dashboards, and e-commerce workflows. A quick learner with strong problem-solving and communication skills, eager to contribute to impactful projects in a collaborative development environment.

TECHNICAL SKILLS

Frontend : HTML, CSS (Tailwind), JavaScript, React.js, Next.js

Backend : Node.js, Express.js

Database : MySQL

Version Control : Git, GitHub

Programming Languages : C++ (Basics)

Web Dev Tools : VS Code, Git, GitHub, Postman

Deployment : Netlify, Render, Vercel

PERSONAL PROJECTS

- **Portfolio Website** | **React.js, HTML, CSS, JavaScript, Netlify**

  – Built a responsive and visually clean portfolio website using React with modular components and modern UI/UX.
  – Implemented smooth navigation and device-optimized layouts to ensure cross-browser compatibility.

- **HerbsFox – E-commerce Web Application** | **React.js, HTML, CSS, Node.js, MySQL**

  – Developed a full-featured e-commerce platform with product listing, user authentication, and order history.
  – Integrated Razorpay/COD payments and implemented responsive navigation using React Router.

- **Adharv International – Brass Products E-commerce Platform** | **Next.js, Tailwind CSS, Node.js, MySQL**

  – Built a full-stack e-commerce platform with admin and user dashboards, product management, and order tracking.
  – Developed a responsive UI and secure backend APIs to handle cart, checkout, and user data.

- **Buyzaar Mart – UI** | **Next.js, Tailwind CSS**

  – Designed and developed a fully responsive e-commerce user interface with reusable and modular components.
  – Focused on accessibility, scalability, and consistent design patterns using Tailwind CSS.

- **Jigyasa Hospital – Hospital Website Interface** | **React.js, HTML, CSS, JavaScript, Netlify**

  – Developed a responsive hospital website with structured sections and smooth navigation.
  – Ensured accessibility and cross-device compatibility using semantic HTML and modern CSS.

- **Brass MultiSpeciality Hospital UI** | **Next.js, Tailwind CSS**

  – Built a modern hospital website UI emphasizing clean layout and responsive design.
  – Optimized user experience across devices using Tailwind CSS utility-based styling.

- **Buyzaar Mart – E-Commerce Platform** | **Next.js, Tailwind CSS, Node.js, MySQL**

  – Developed a scalable e-commerce platform with modern UI and smooth user navigation.
  – Optimized performance and responsiveness using Next.js rendering and Tailwind CSS.

EXPERIENCE

•**Web Developer — Zentrix Infotech**

January 2026 – Present

– Developing and maintaining production-level web applications using **React.js**, **Next.js**, **Tailwind CSS**, and **JavaScript**.
– Working on feature development, UI optimization, and improving application performance and accessibility.

•**Web Developer Intern — Zentrix Infotech**

July 2025 – December 2025

– Contributed to building responsive web interfaces and reusable UI components.
– Assisted in API integration and collaborated with senior developers to understand real-world development workflows.

CERTIFICATIONS & ACHIEVEMENTS

•**Research Paper**
"Enhancing Blockchain Security and Efficiency with Machine Learning" – *Published in IJRPR*   June 2025

•**GeeksforGeeks**
React.js – 8 Week Online Certification Course   June 2025

•**Kothiwal Institute of Technology & Professional Studies**
Award Winner – Debate, Poetry & Talent Hunt Competitions at Annual Cultural, Sports & Literary Meets   2022–2024

EDUCATION

•**Bachelor of Technology in Computer Science and Engineering**
Dr. A.P.J. Abdul Kalam Technical University   2022 - 26

•**Intermediate**
SRK Girls Inter College (UP Board)   2021 - 22
